

9th Grade Daily Dose

Mrs. Nelson * Vista Heights Middle School * Room: A103

Email: erinnelson@alpinedistrict.org

Website: enelsonmath.weebly.com

COURSE DESCRIPTION: Welcome to 9th Grade Daily Dose. This class will focus on and aide you in understanding of the topics currently covered in their Secondary Math 1 class.

EXPECTATION: Everything submitted for credit MUST be in PENCIL. I will also expect that ALL work is neat and clear and that you show your process of the thinking. I will come prepared every day to help you learn and I expect that you will come prepared to participate and learn each day. Remember, you are responsible for your own progress and achievement. So, work hard and we will have a fun and successful year together.

FINAL GRADING SCALE: This is a Pass/Fail class.

To earn a PASS you need at least a 70%

GRADING BREAKDOWN:

Openers (Quizzes): 40%

Participation: 60%

MATERIALS NEEDED:

- The 3-ring binder you have for your SM1 class.
- Loose-leaf paper, either line or graph
- Pencils (& eraser). If mechanical, have extra lead
- Red pens (for correcting homework)
- You will also need a math compass.

GENERAL RULES:

- No electronic devices in class without permission.
- Attendance is important! Please try to be in class each day
- Cheating will not be tolerated. Students will receive a zero for cheating.
- No food, gum or drinks in class (except water in bottles)
- Refer to the VHMS handbook for school policies that will be enforced in class.

PARTICIPATION 60%

Work that is to be completed in class.

QUIZZES 40% Quizzes will be given usually daily at the beginning of class throughout each unit to help prepare and check for understanding before the Unit Test in the Secondary Math 1 class. These can be fixed.

**** Please visit our class website at: enelsonmath.weebly.com **** A copy of this disclosure document can be found there. You will need to click on the tab for your class. Have a parent/guardian fill out the information on the website and state that the Disclosure Document has been read. This will count as an In-Class Assignment and is due by **Sept 25st.**
